

Tales of the Sky

Weather touches every part of our lives. In this data story, we explore common weather patterns, the best activities for a snowy day, how temperatures change in major cities, and when people wear sunglasses.

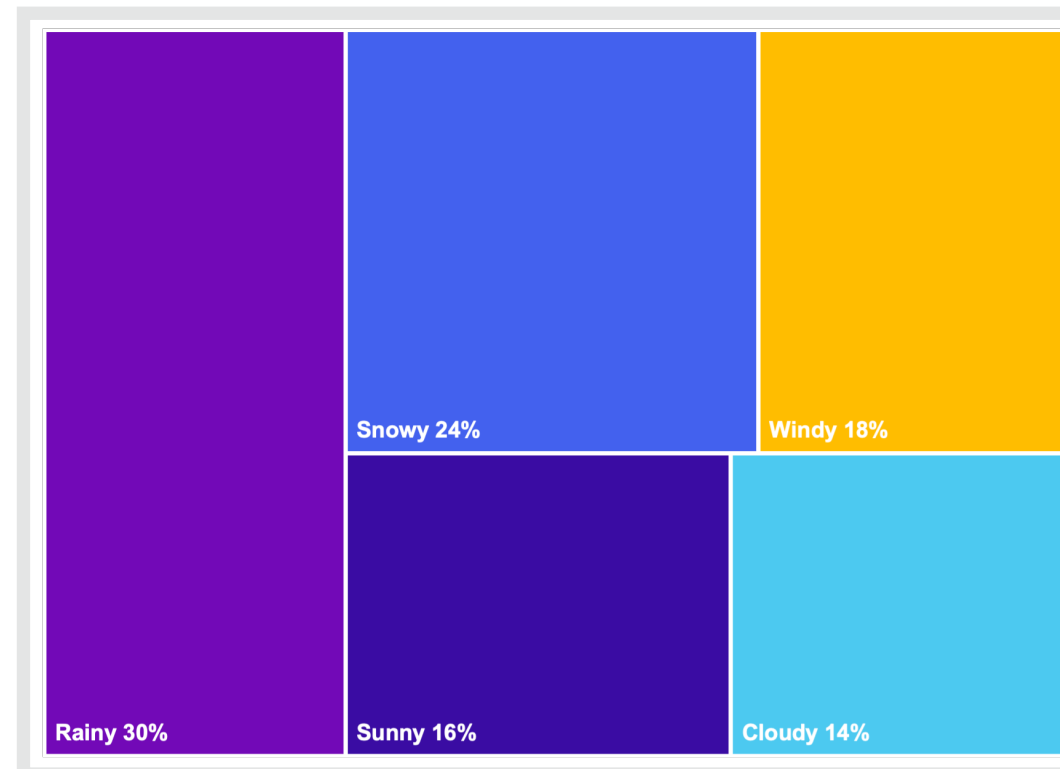

It's snowing today.
I'm curious how
weather affect
our life.

It reall does!
Let's look at
some data.

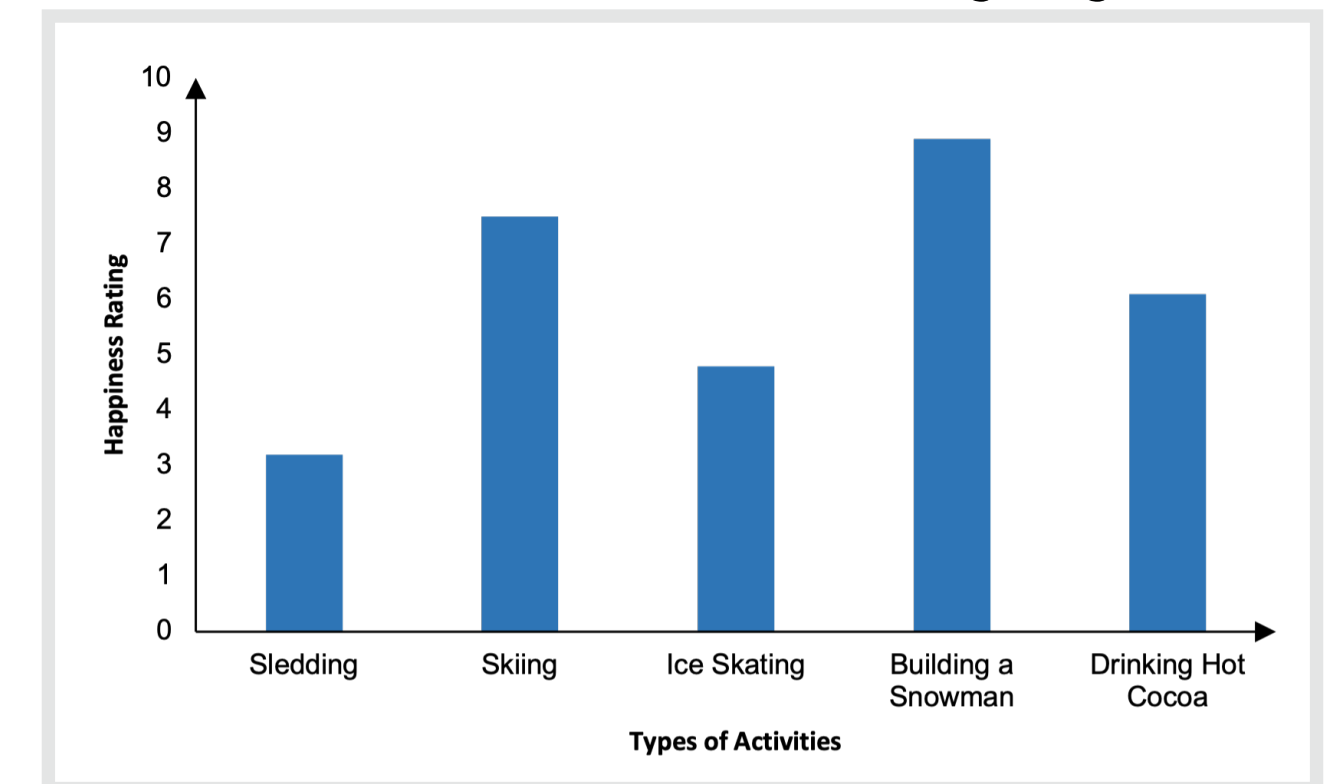

1

Top 5 Common Weathers

2

Best Activities for a Snowy Day

3

Sunglasses Usage across Occasions

Lions eat the most meat
among the three predators.

4

Temperature Change in Major Cities

Elephant numbers have gone down a lot because
of a spreading disease, while panda numbers are
going up steadily because of
successful breeding
programs.

5

Fasciating! By the
way, it's snowing
today. A perfect
day for hot cocoa.

Let's grab a cup
and keep the con-
versation going.
